ORDER

Pending before me for decision are four Motions to Supplement the Complaint (ECF Nos. 8-11). On October 27, 2015, a report and recommendation was entered (ECF No. 12) recommending dismissal of the case on the basis of the three strikes rule. An exception for the three strikes rule exists when a prisoner alleges that he is in imminent danger at the time of filing. The Court has reviewed the proposed supplements. No such allegations appear in them. In fact, the proposed supplements are merely restatements of the original complaint with citation to relevant law.

The Motions to Supplement (ECF Nos. 8-11) are **DENIED**.

IT IS SO ORDERED this 7th day of January 2016.
